

Vertical AC unit (with Heat)

General:

Manufacturer	Smart Family of Cooling Products
Unit Model Number	SAVP10Q
Blower fan	3hp
Air Connections:	20" round duct or diffusers
Certification	ETL, UL 1995 – CSA 236 STD 22.2
Single Point Power Supply Connections	<u>460V/3PH/60HZ</u>
Full Load Amps Cooling	23.9 A
Full Load Amps Htg Mode	64 A (460V)*
Unit MCA	78 A*
Unit MFS	100 A*
Unit Dimensions	66"L x 35"W x 98"H
Unit Ship Weight	2,200 lbs

* Data shown with 32kW of integral heat
